and is supposed to have excellent economic, political, and sociological information.

(We have a trace on one CSOWKA (fnu). The report, dated 7/9/45, states that CSOWKA was Secretary and confidant of Premier SZALASI. It states that he is a speaker of the GOBBELIS variety. He was born about 1920.

Another report of 6 February 1948 states that one Lt. Col. CSOWKA (fnu) was head of the Military Section of the KPO. This section was concerned with the internal security of the War Ministry and the Army as a whole and has supervision of "D" detachments. It also had liaison with H.Q. Frontier Guards. Subject is not presumed to be identical with Emil CSOWKA.

We have a report on one Emil CSOWKA, dated June 1948 from an Italian source which states that subject is a member of the Arrow Cross Party and is publishing monthly reports about news coming through underground channels from Hungary. He intends to come to Bologna, having applied now for the Italian visa.
